

GENERAL TERMS AND CONDITIONS

PARTS AND LABOR NOT COVERED BY EITHER PLAN:

Zone valve, Relief valve, Air vent, Water feeder, Lower water cutoff, Hot-water coil, Mixing valve, Expansion tank, Flow control valve, All piping and valves, Radiator/baseboard element, Purging air from system, Draining expansion tank, Plumbing, Ductwork, Registers, Humidifier, Motorized damper, Heat recycler, Automatic stack damper, Electronic air cleaner, Clock thermostat, Combustion chamber, Air conditioning relay, Air conditioning controls, drain valves, isolation relays, condensate pump
Circuit board timers, Fuel storage tank, Tank gauge, Snorkel gauge, Spin-on oil filters, Whistle, Oil tank piping, Tiger loop oil deaerator, Mechanical chimneys, Power venter, Tankless coil & gasket, Underground oil lines, Furnace or boiler-fired over 3.0 gallons per hour

Beckett AF 11 oil burners are not covered by Plan Two: Mobile homes are eligible for Plan One only.

TERMS: We will deliver all of your home heating oil and fulfill the equipment plan you prefer for the period indicated. Oil delivery and equipment service plan offers apply to the address shown on reply card. Unless credit is established with us, cash on delivery of product or performance of service is required. An oil burner service contract is not mandatory for heating oil delivery.

OPEN ACCOUNT: Five-cent-per-gallon discount with payment received within ten (10) days of delivery. After thirty (30) days, a finance charge of 1½% per month (annual rate 18%) will be added to the past-due balance.

EQUAL PAYMENT PLAN: Equal monthly payments start in August and end in May. A statement for your deliveries and payments will be issued at the end of the payment period. If there is a credit balance, a check will be issued upon request. If a debit balance exists, payment is due upon receipt of the statement. A five-cent discount per gallon will be issued at the end of the Payment Plan as a credit if each payment is received monthly.

CONDITIONS: The heating service plans outlined herein are subject to the following conditions:

1. We reserve the right to inspect the equipment covered before accepting this agreement.
2. This agreement is void if the buyer permits any person other than our employees to render service to the equipment, except as instructed by us.
3. Prices quoted refer to domestic-type heating equipment only. Prices on other types available on request.
4. This agreement does not cover parts damaged by water, fire, act of God, accident, tampering, or abuse.
5. Our obligation to furnish any parts is subject to availability through normal sources of supply (Plan Two only).
6. This agreement includes only repair and replacement of parts specifically listed that become defective due to normal wear (Plan Two only).
7. This agreement does not include equipment failures from customer's refusal of automatic delivery.
8. Buyer agrees to purchase 100% of buyer's heating oil from Taylor Oil & Propane, Inc.; otherwise, this agreement is terminated.
9. This agreement does not cover liability or injury or damage resulting from defects in, or the operation or non-operation of, customer's burner or its appurtenances or any other equipment, nor does it cover liability for loss or damage resulting from delay or failure to perform hereunder due wholly or partially due to labor disturbances, fire, lack of materials, governmental regulations, or any other causes beyond our control.
10. The effective date of this agreement (assuming customer's application is accepted) shall be the date of receipt by the company of the customer's signed application.
11. This agreement contains the entire agreement of the parties hereto, and there are no promises, terms, conditions, or obligations other than as contained herein.

OIL BURNER SERVICE PLANS

Taylor Oil and Propane, Inc. is pleased to offer you two Oil Burner Service Plans. Choose the plan that suits your heating system, then fill out the pre-stamped post card and drop it in the mail. If you're not sure which plan is best for you, give us a call at 610-444-3810 and we'll be happy to discuss the plans with you. Contracts are from June 1, 2025 thru May 31, 2026.

PLAN ONE: ANNUAL TUNEUP

COST: \$249

Your heating equipment is cleaned and adjusted once a year for maximum efficiency. We will:

- Vacuum clean your boiler or warm-air furnace
- Clean flue pipe and base of chimney
- Clean and adjust ignition electrodes
- Adjust oil/air mixture
- Inspect strainer and nozzle*
- Adjust draft regulator
- Check controls and switches
- Replace oil and air filters*
- Lubricate burner motor
- Lubricate blower or circulator motor and bearings
- Inspect combustion chamber
- Cement air leaks

*Cost of replacement parts is additional

PLAN TWO: COMPREHENSIVE COVERAGE

COST: \$379

Our complete heating service plan. You get the annual tuneup listed in Plan One **plus** year-round on-call service.

NOTE: On-Call Service between Midnight and 7:00 am is billable. Please call for rates. In addition, any part listed will be replaced without charge.
